*the name
of the game
is spirit*

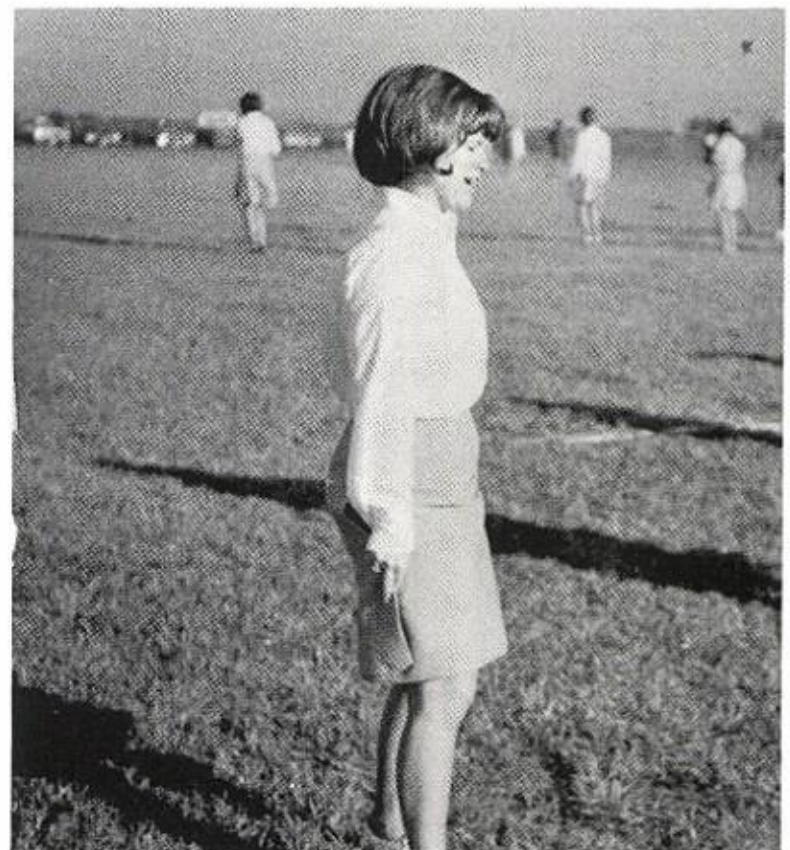

*spirit demands an
involvement with which
we mix individual vi-
tality, enthusiasm, and
initiative into a happiness
which fills our lives.*

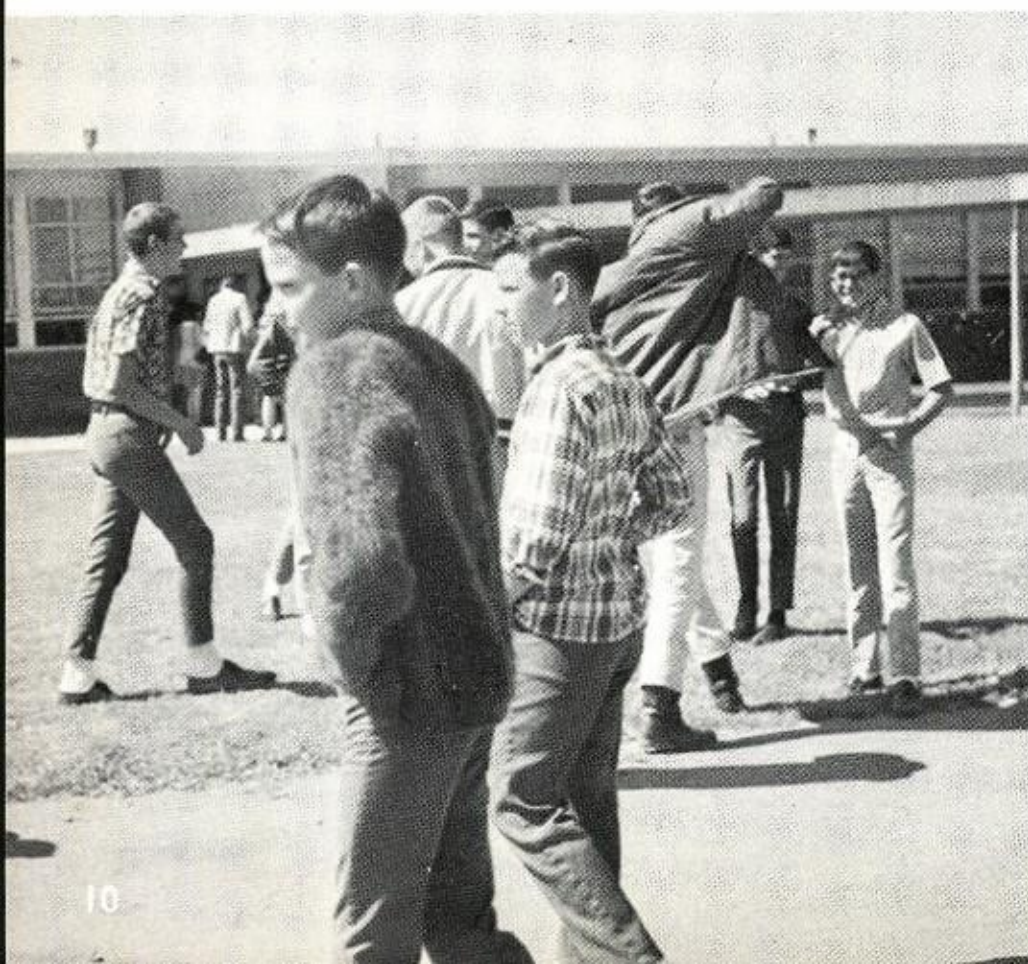

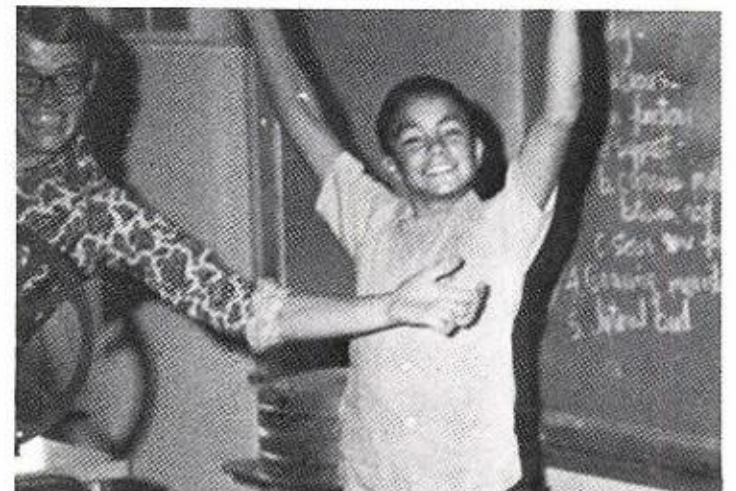

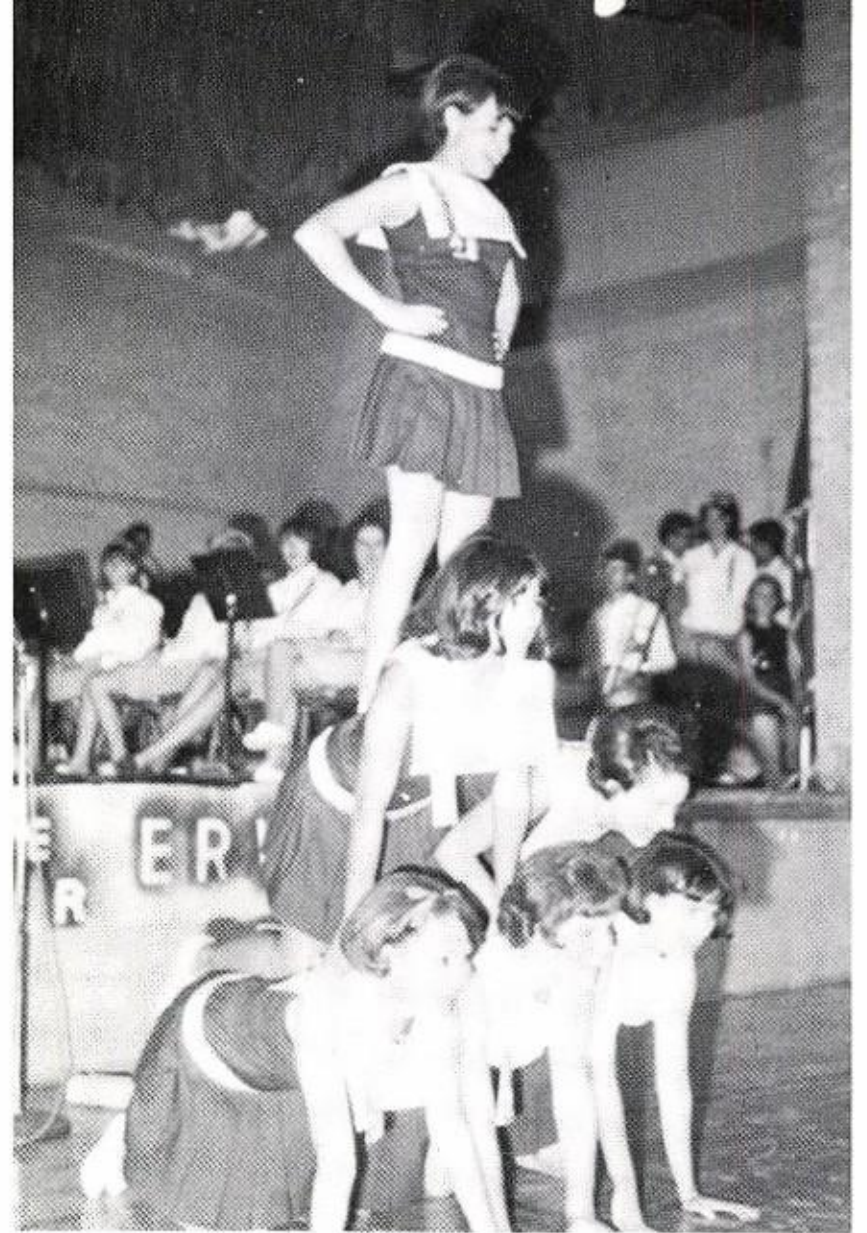

*spirit is found
in simple things —
a sparkling laugh, a
refreshing tear, an
understanding smile . . .*

s.h.s.

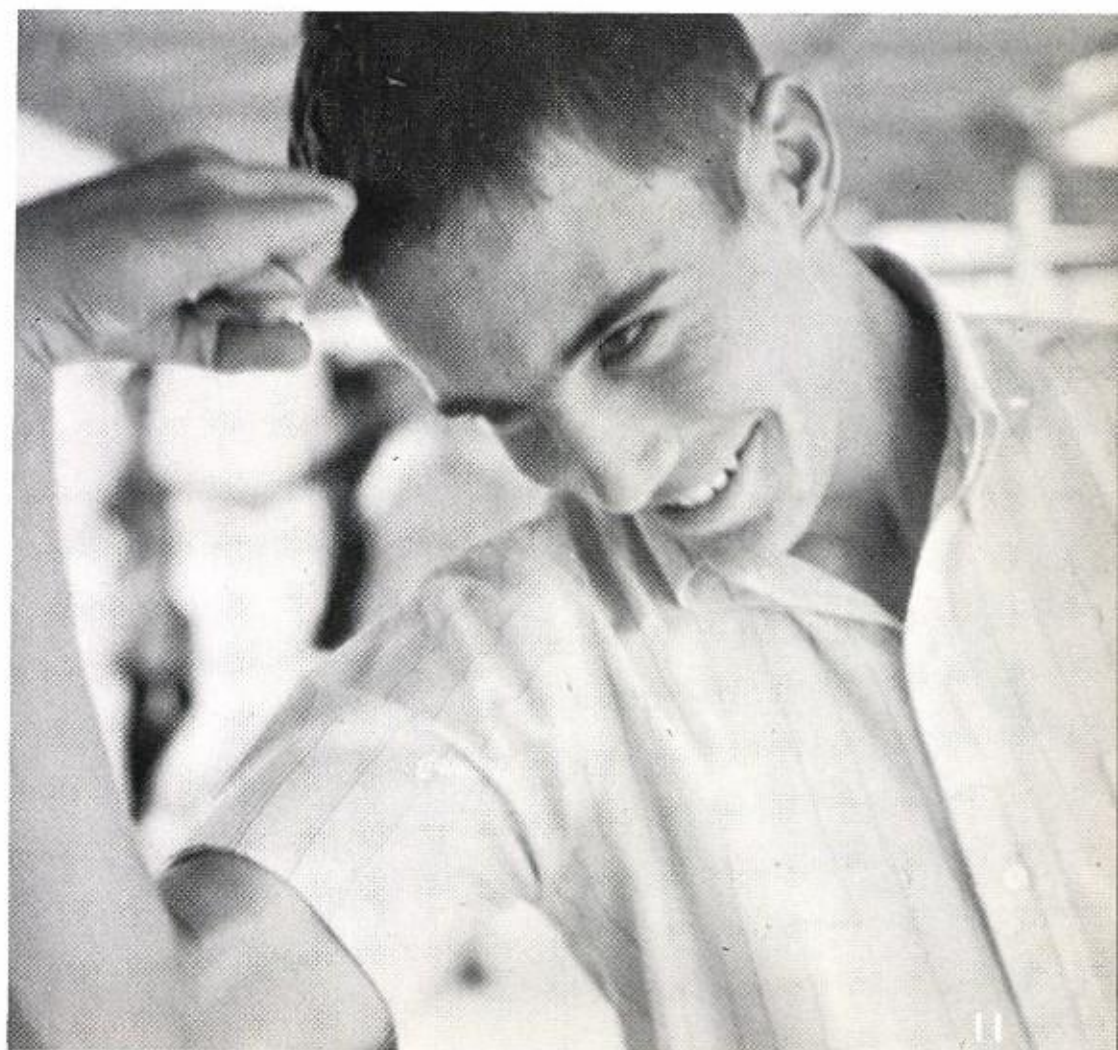

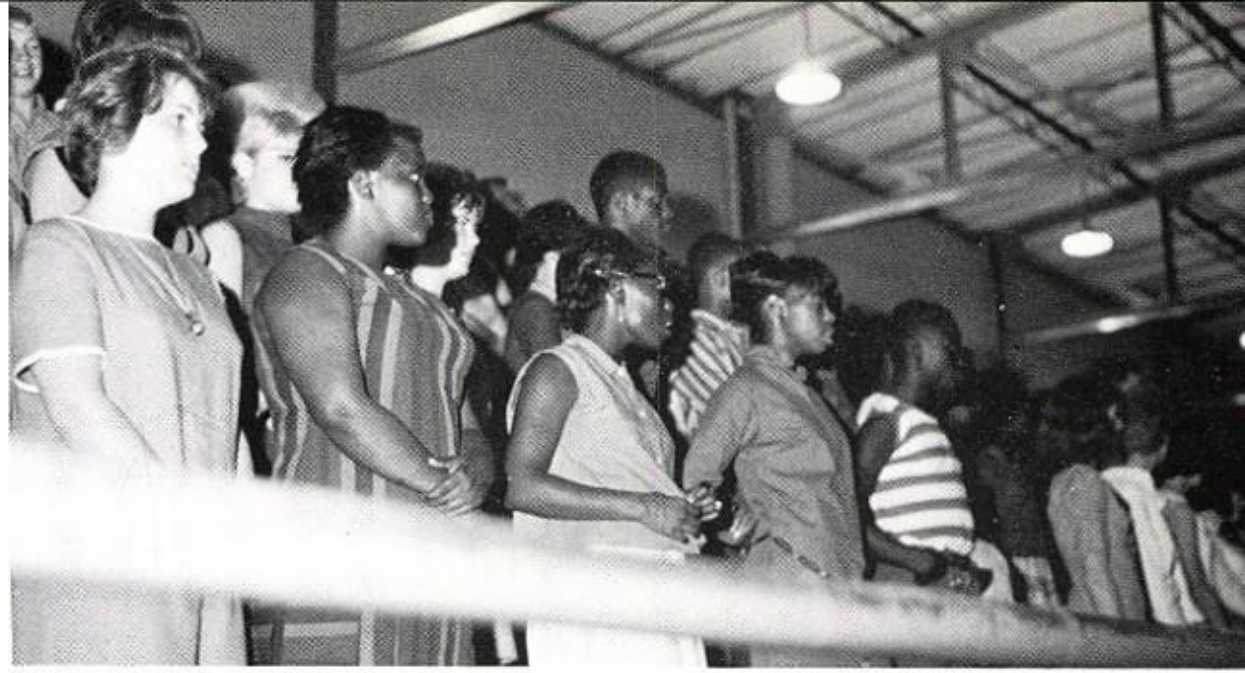

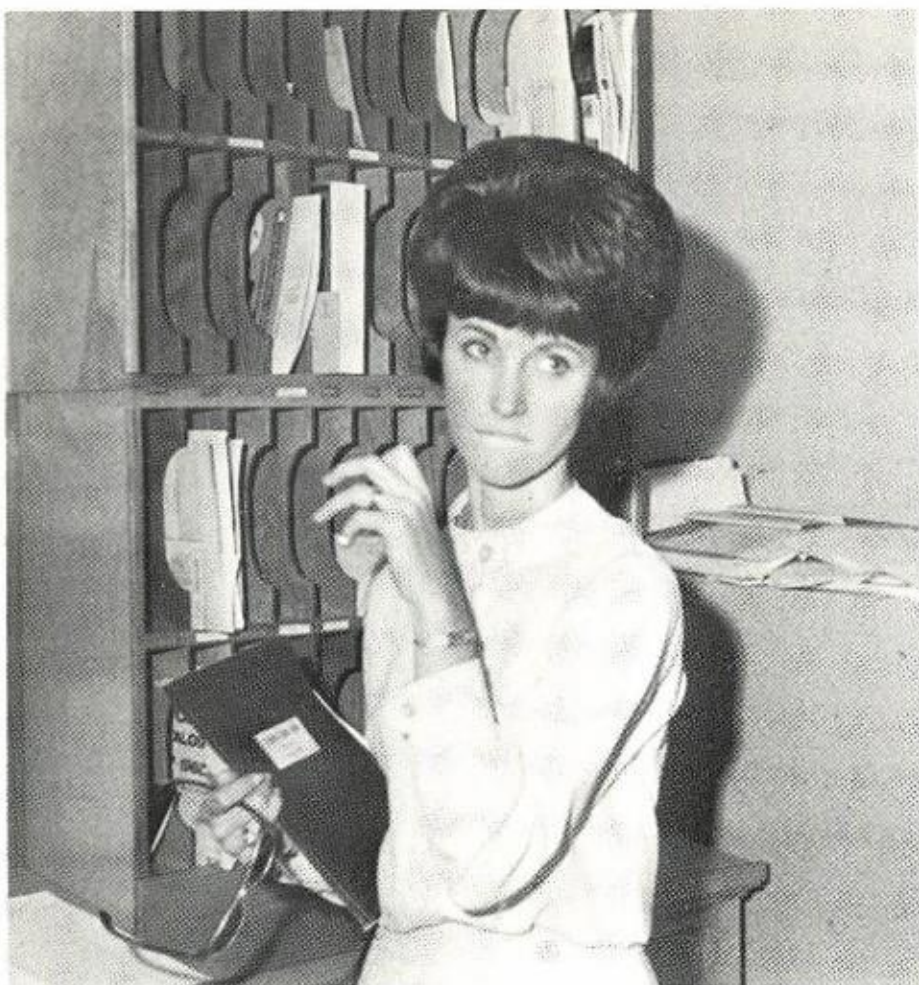

the spirit

My school has a spirit
 Freed by a rousing cheer,
 A clapping of hands,
 Or a broad smile of victory.
 My school is spirited,
 In time of demise,
 on the athletic field or in
 the classroom.
 And there is always a swelling
 Pride of awe when the
 Alma meter is sung.

Oh! I left the water running in the homemaking cottage again!

dedication mrs. judy hall

Rarely does one have the pleasure of associating with a person who gives completely of himself and asks nothing in return. Such a person is sometimes innocently overlooked when "thanks" are being handed out. For this reason we would like to say a very special thanks to Mrs. Judy Hall for the untiring devotion and generosity she has given so freely to all of us. Mrs. Hall has sponsored the cheerleaders for the past four years and retains full-time teaching responsibilities in our Home Economics Department. It seems she never fails to lend a sympathetic shoulder to cry on, advise a misguided soul, or face her own problems with a smile.

Therefore the Spirit Staff of 1967-68 is proud to dedicate this yearbook to Mrs. Hall.

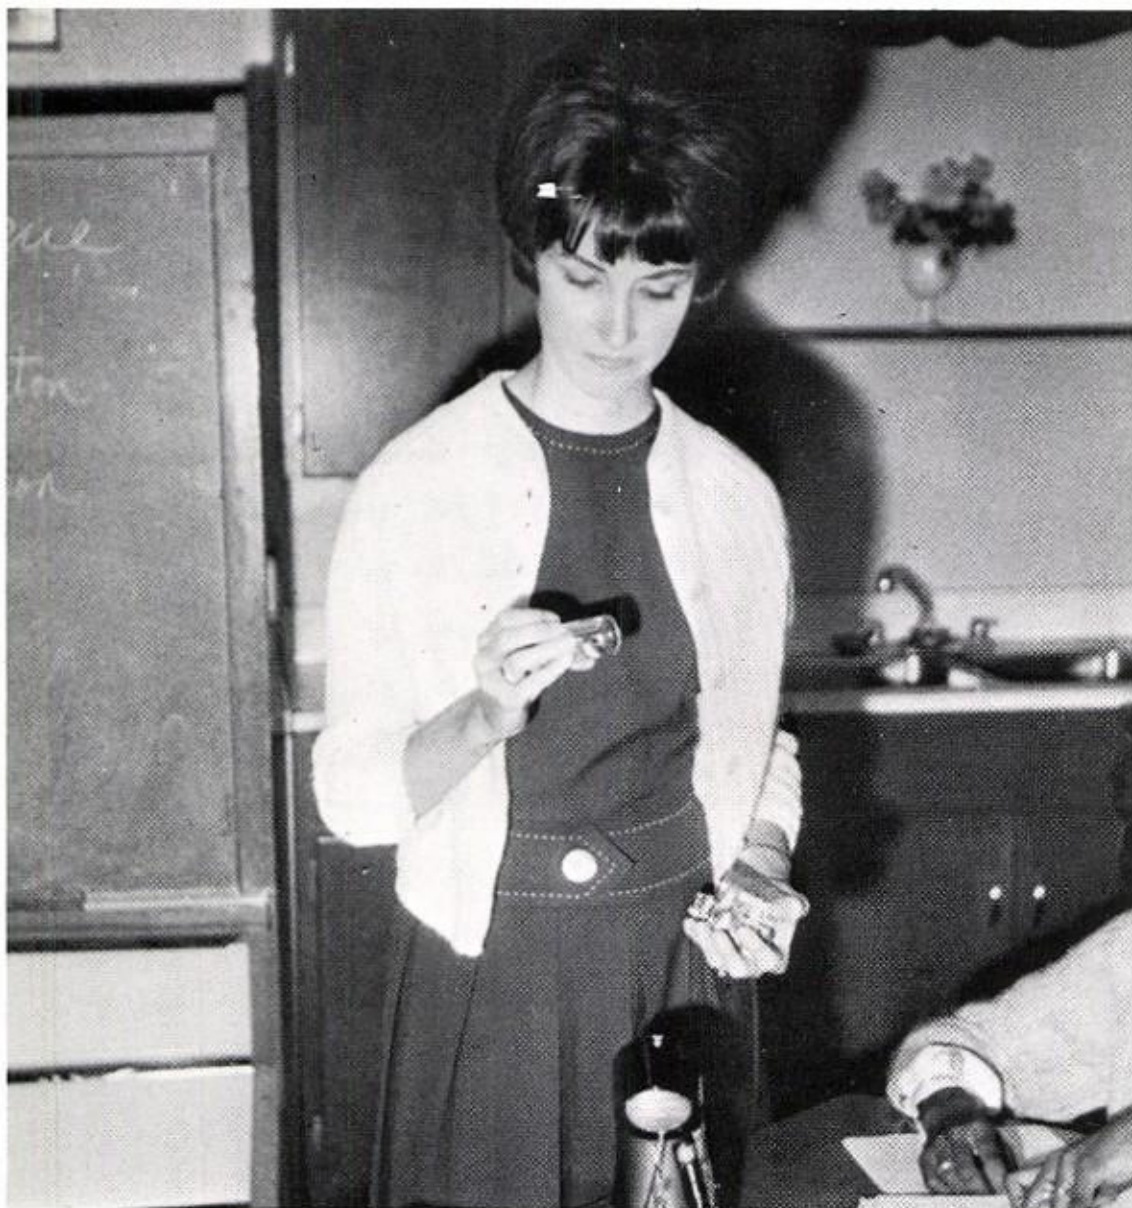

A perfect example of an ideal teacher.

Judy
Hall

Mrs. Hall breaks up!

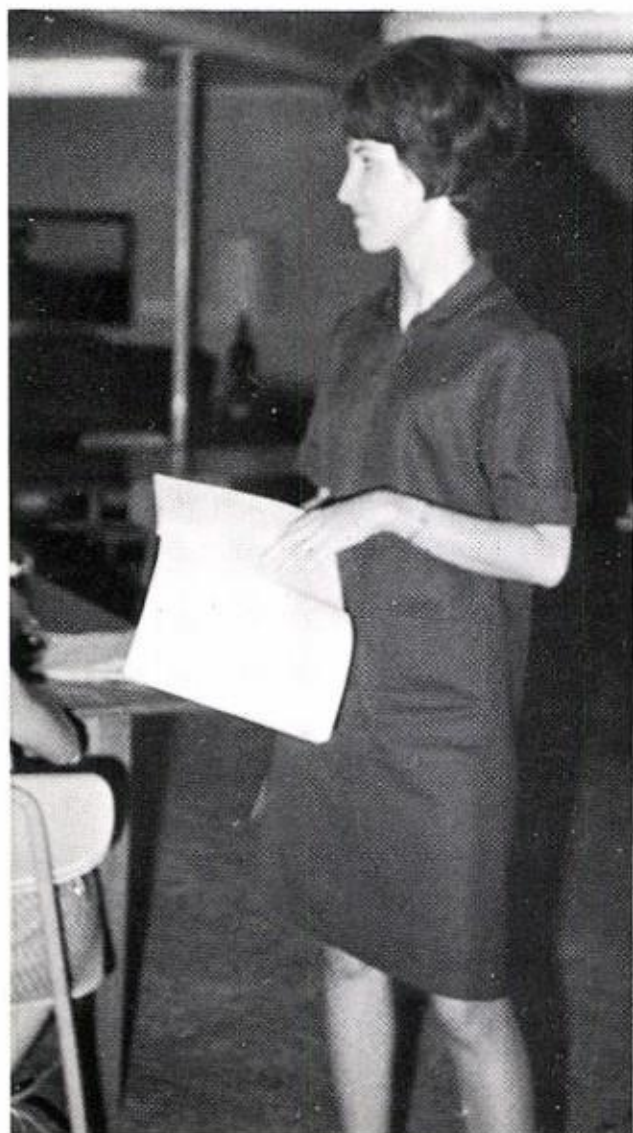

My professors said there would be days like this!

Sometimes it is hard to keep that smile,
isn't it?

Patience is one of her finest qualities.

She's so well liked,
she isn't afraid to
turn her back on
a class.

Mrs. Hall always greets a visitor or student
with a smile.

Mr. Blanton checks Lajuana's pass as she looks anxiously on.

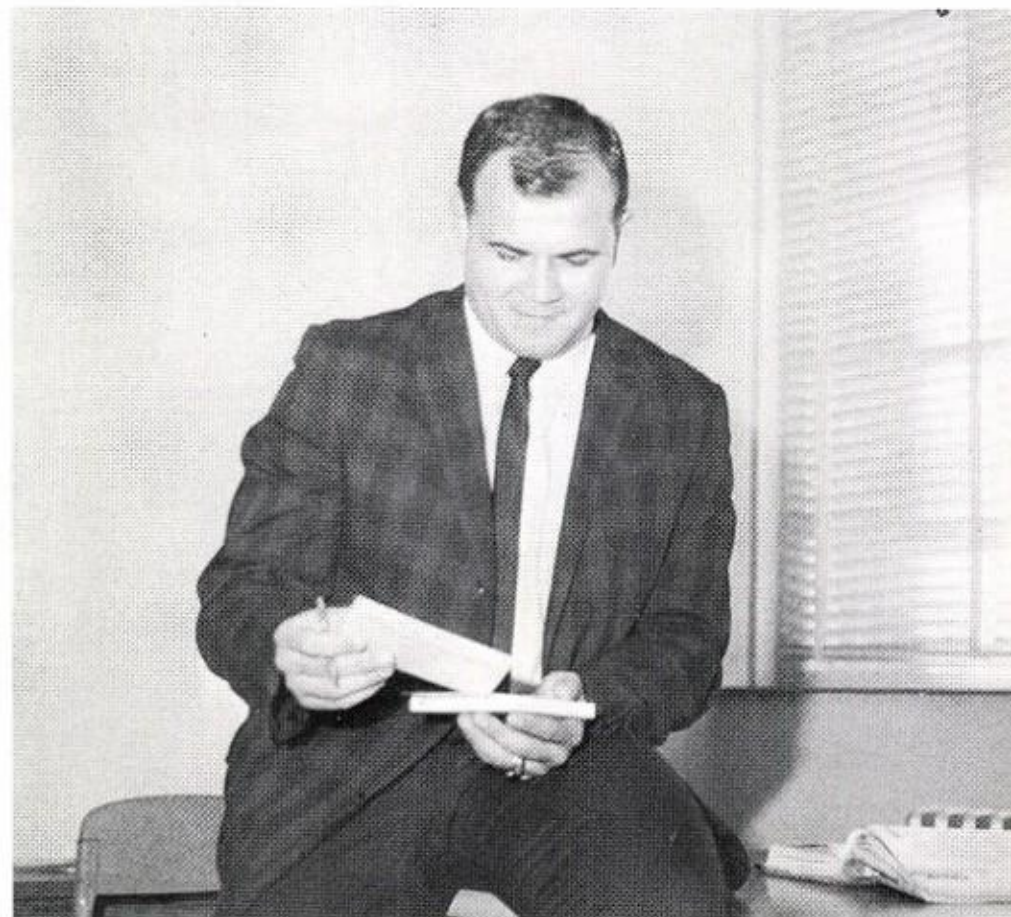

Mmmmm! Shame on that student for running in the halls.

Mr. Blanton is pleased to see that a detention card has been cleared up.

Students are finding Mr. Blanton to be stern but fair in his duties.

snaps . . .

"What BIRDIE?"

"Miss Hall, let's raid that icebox!"

"Come into my parlor, said the Spider to the fly!"

"You mean it's Saturday???"

"A scene hard to believe: A gossip session, and Rita Lustig is studying???"

"Oh, no!
I've
nailed
the stool
to the
table!"

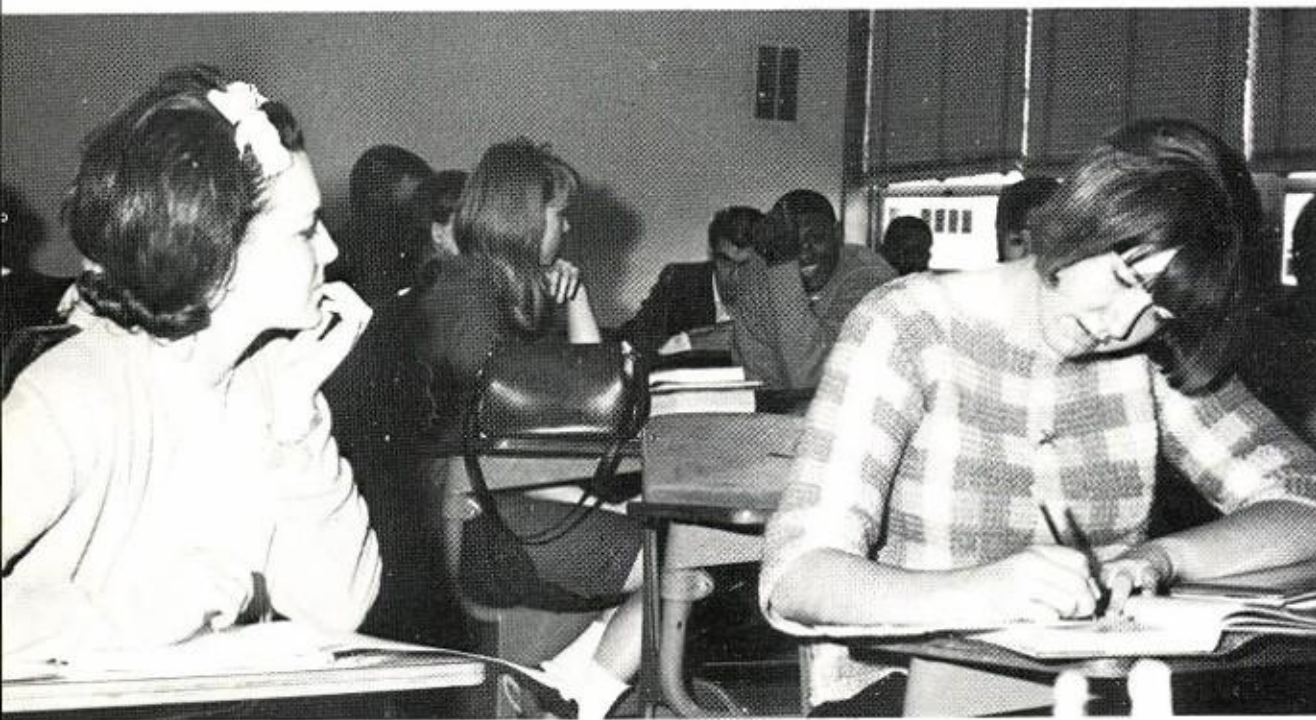

"Is this where the Metrecal for Lunch Bunch meets?"

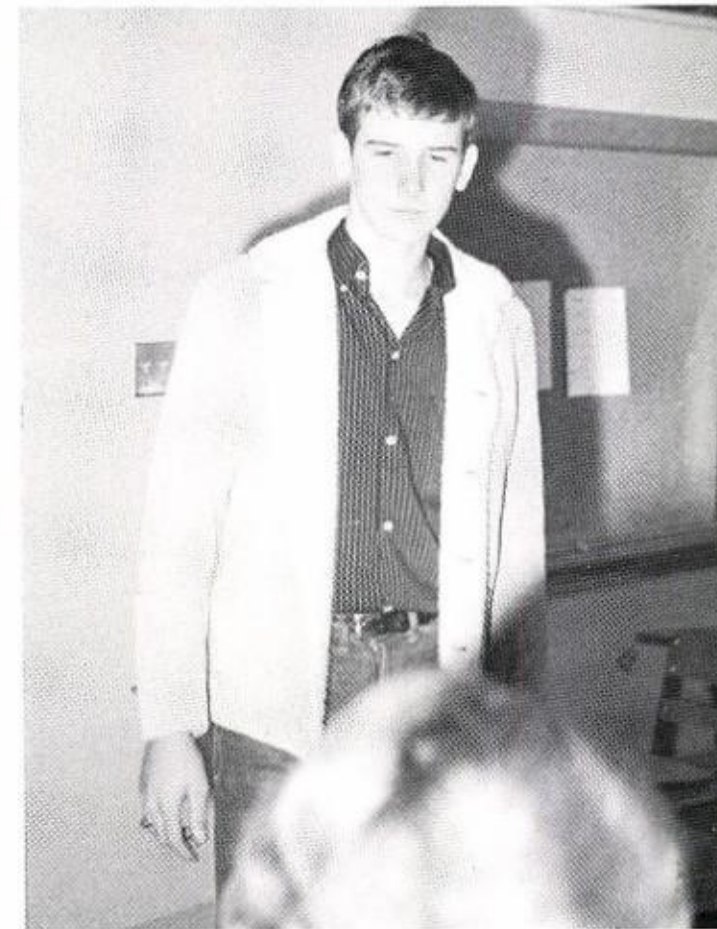

"And then Elizabeth Taylor said to me ..."

"Now what was that you were saying???"

"Now for my first impression. MR. Robert Jones."

"Okay! Who stole my picture of Cathy Overby?"

"Now, Mr. Henry, do we look like the Metrecal for Lunch Bunch???"

"Must be that Sardine sandwich I had for lunch!"

"But, Mr. Jones, I can't get my arms unstuck!"

"Honest Jan! I didn't do anything!!!"

"Aw, come on, Jerry! Aren't you happy??"

"Sir???"
"Detentions???"
"Burn them off???"
"Life's cruel!"

"Who was that sailor?"

"How did I ever get into this situation???"

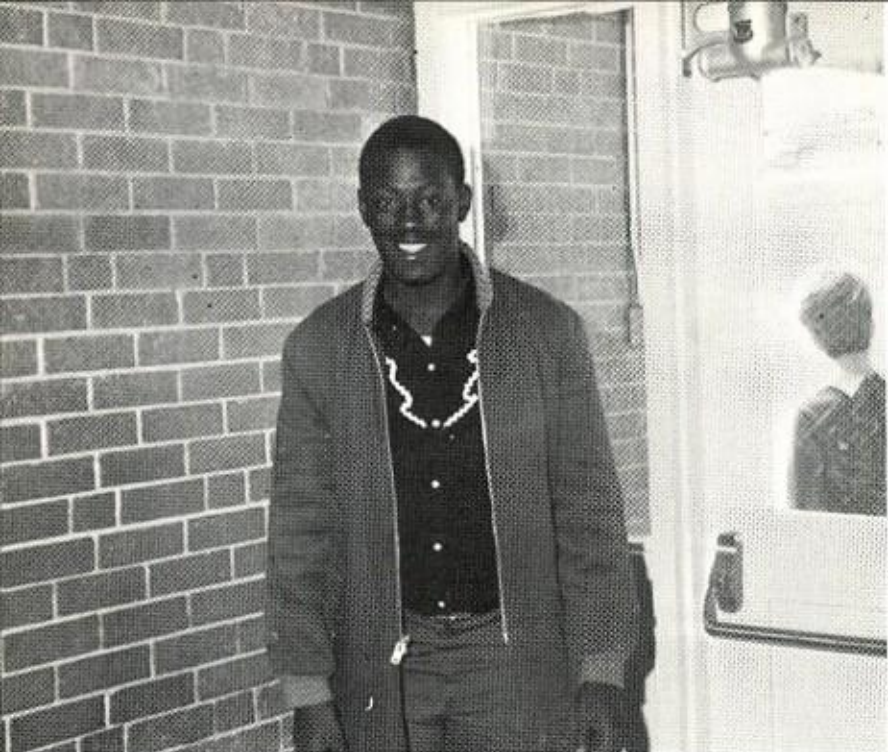

"Yippee!!
Gang,
There's
a new
boy in
our
class.
He's
from
Humble.
I prob-
ably won't
like him."

"I'm so happy!!!"

"Yes, I guess I'll have to pose. You've got me cornered!!!"

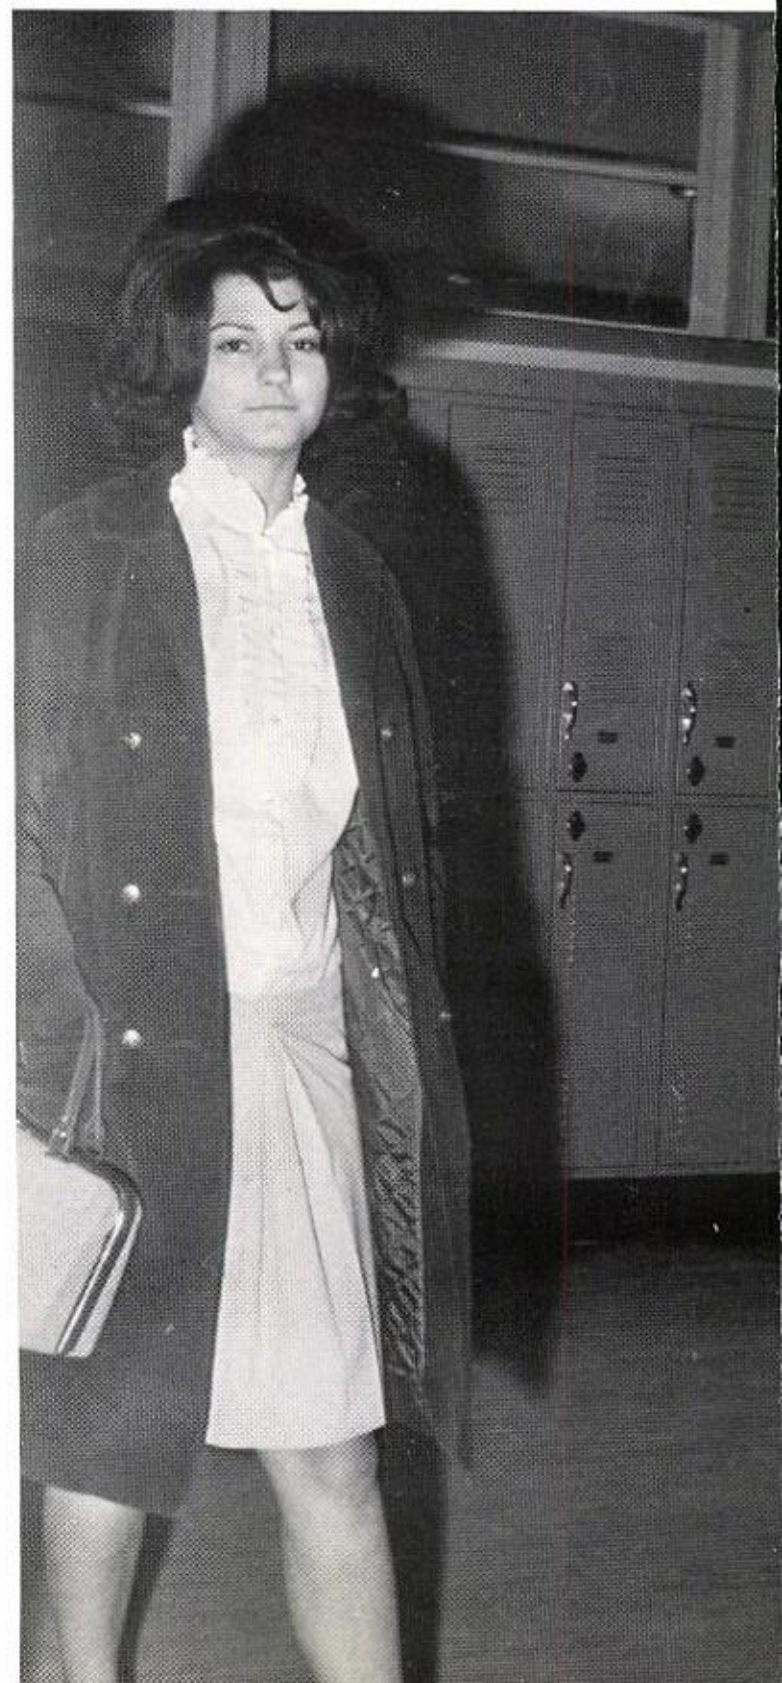

"For our next song, we'd like to sing ..."

"Are you sure you used Right Guard?"

"Me and my shadow. Strolling down the halls without a pass."

"It seems only Margie Baker finds this class so funny."

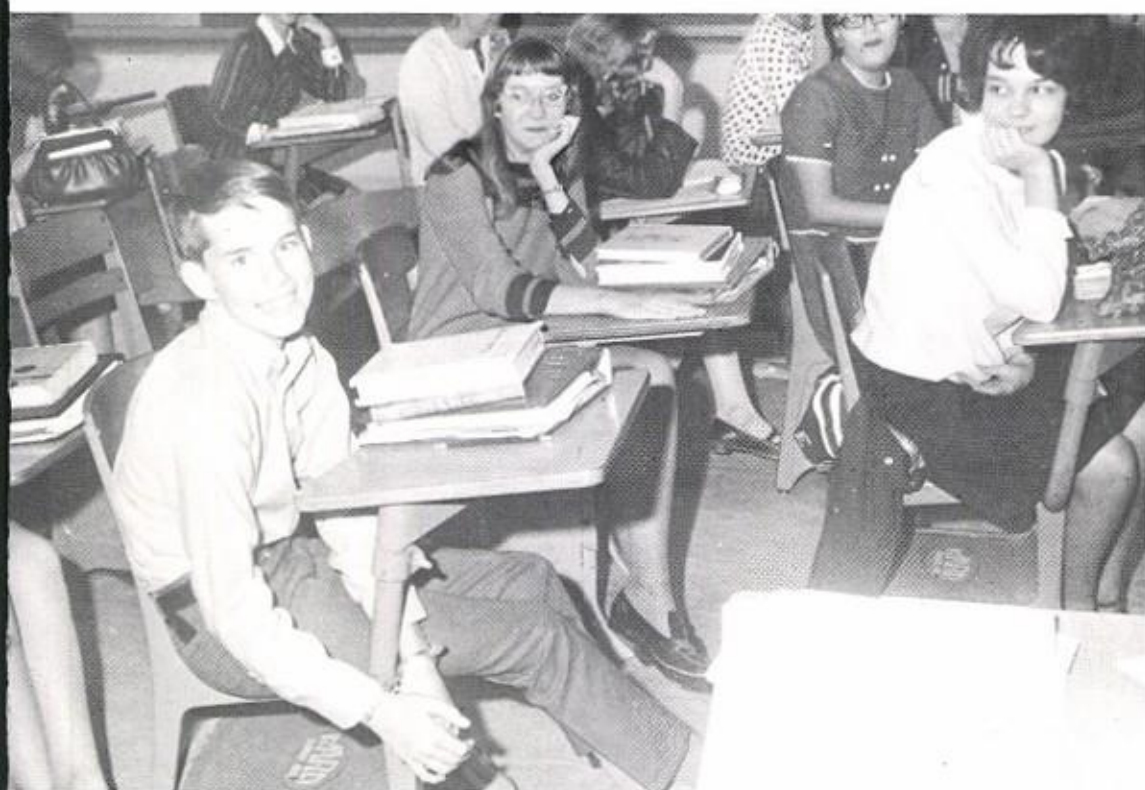

"Peep-pie!!!"

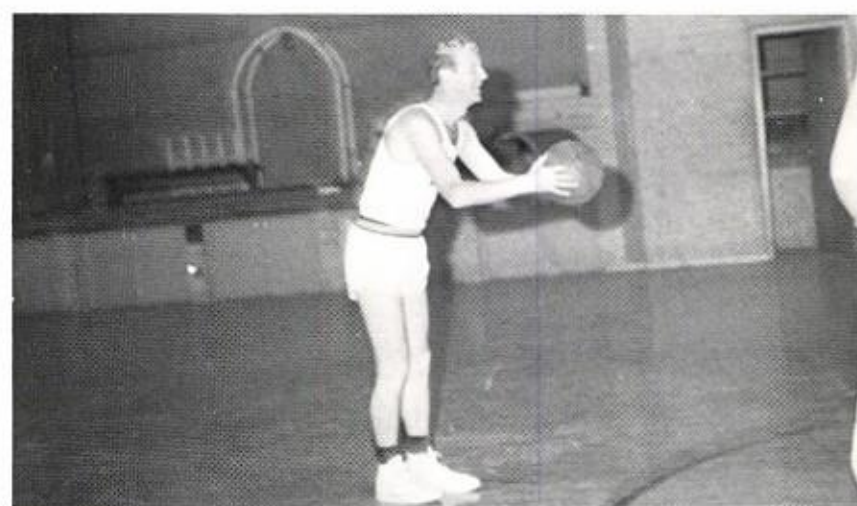

"Our favorite song is, Close your eyes and he'll kiss you!!!"

"Wonder if this is anything like wedlock?"

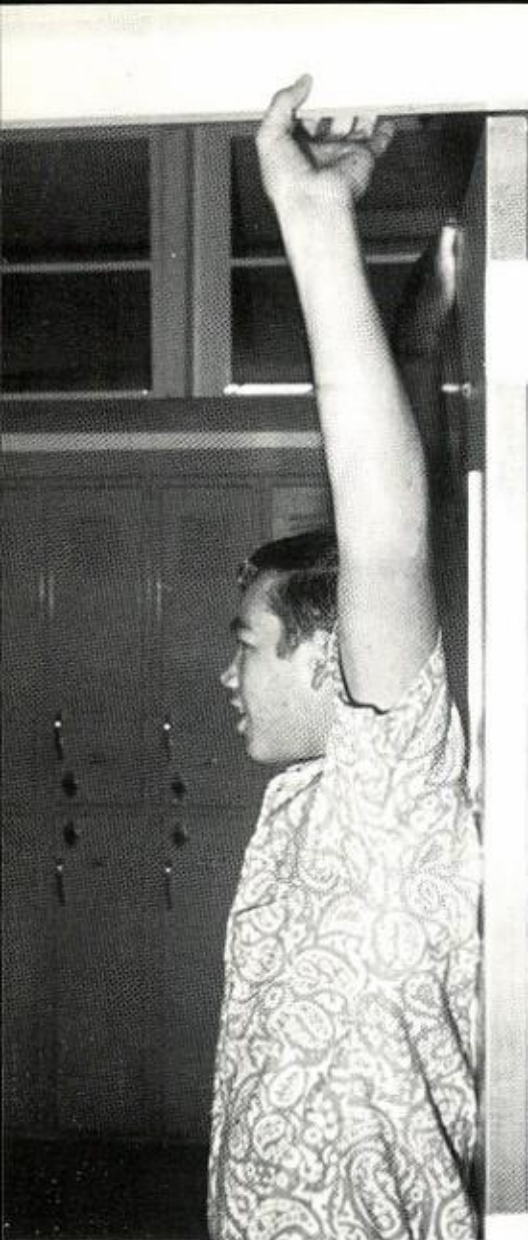

"Are you sure Mrs. Bell knows karate???"

"Let's play Bouncy-ball!!!"

"SOB! SOB! Will no one carry a helpless girl's books???"

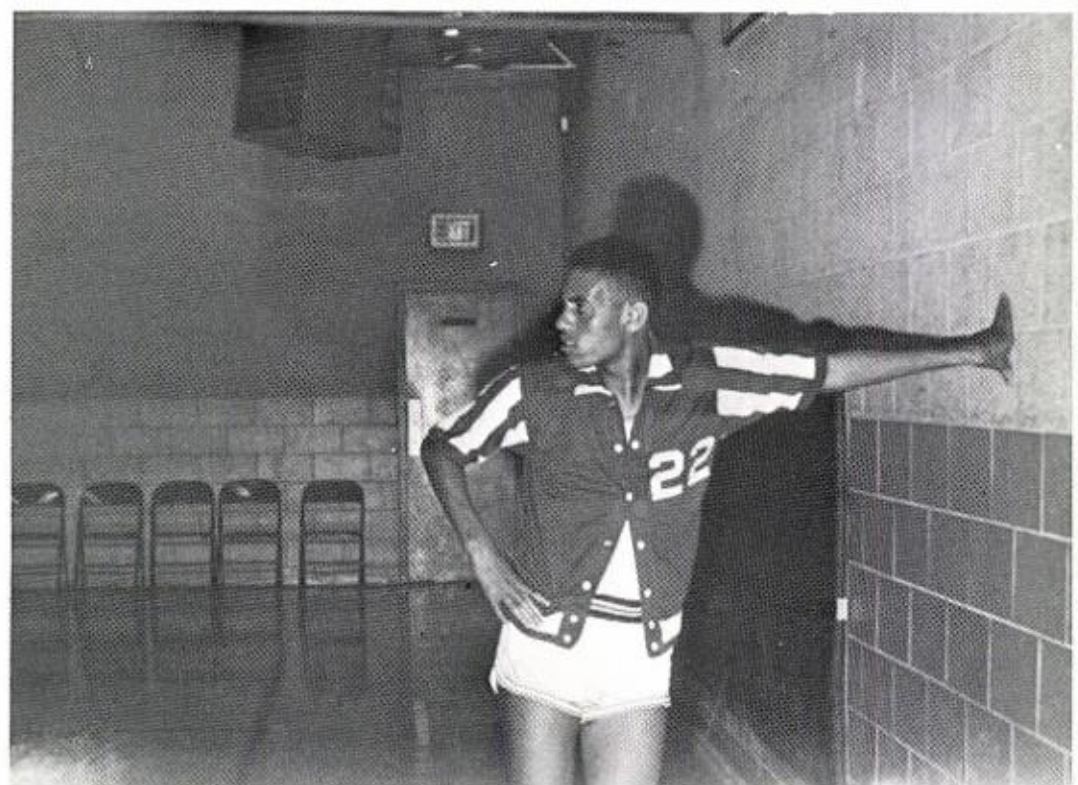

"Hurry!!! I'm holding up the ceiling."

"Go get Mrs. Hall! My foot's hung!"

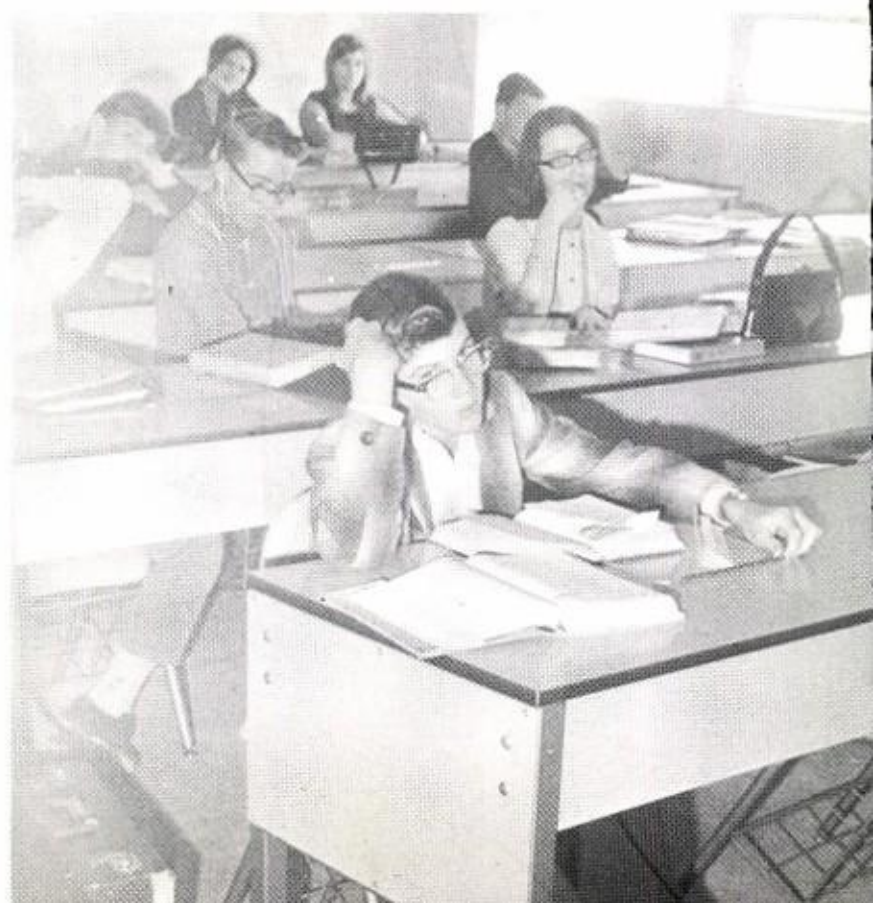

"As usual, while everyone else pays attention to the program, Alice spies the camera!"

"Who put glue on this wall?"

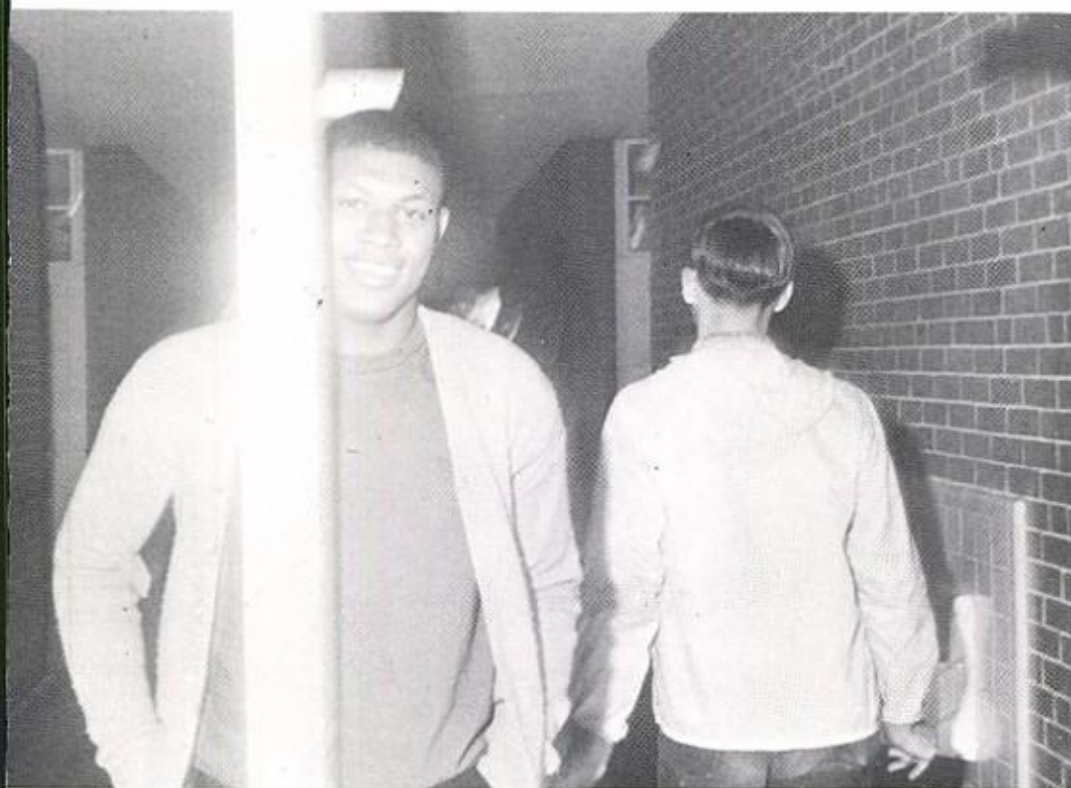

"Will this lesson never end?"

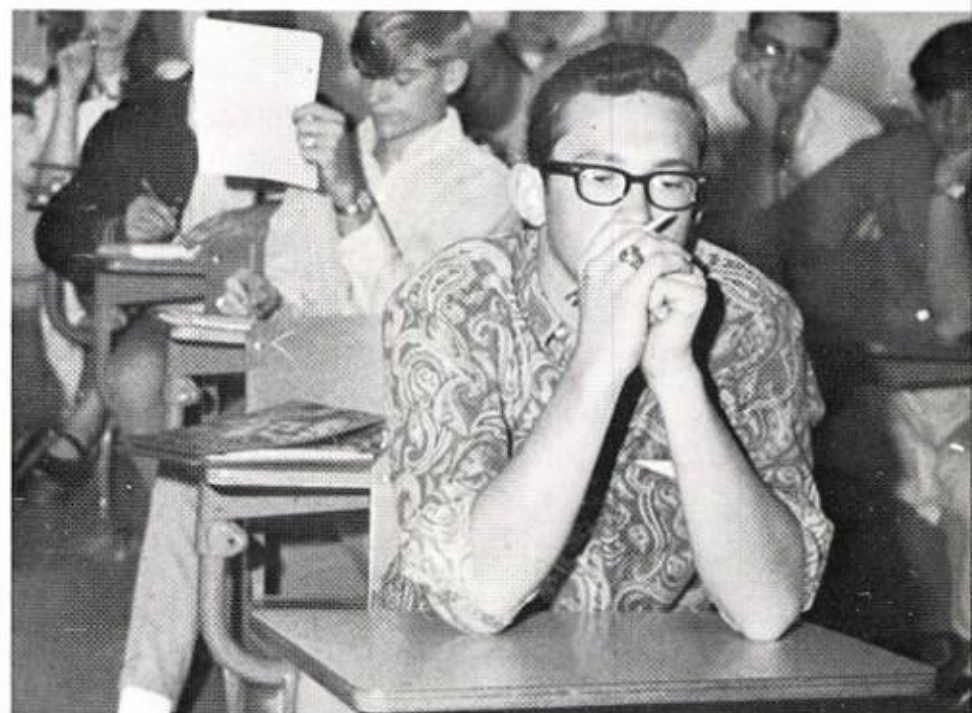

"Oh, the odorous work of teaching. "

"Sure, I'll be your Valentine. "

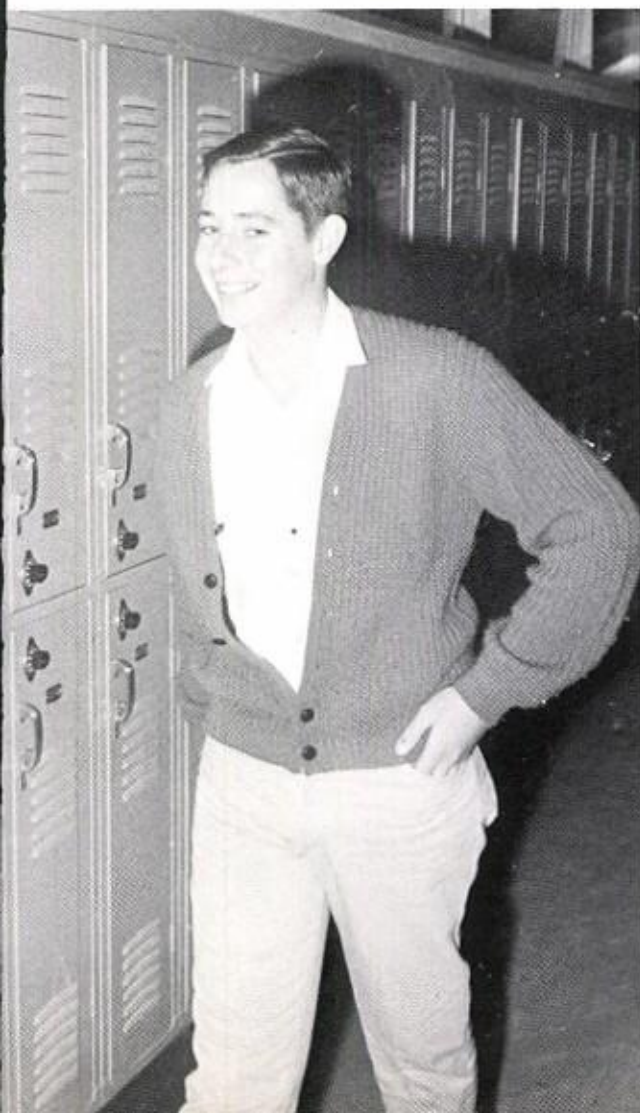

"What did you say about the shadow
of my smile?"

"2 plus
2 is??"

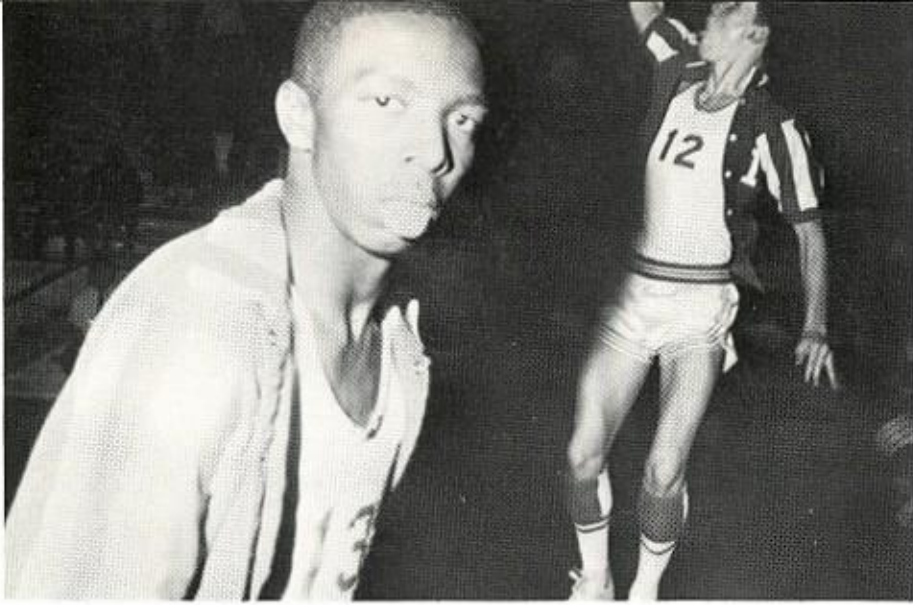

"Could you teach me that step?"

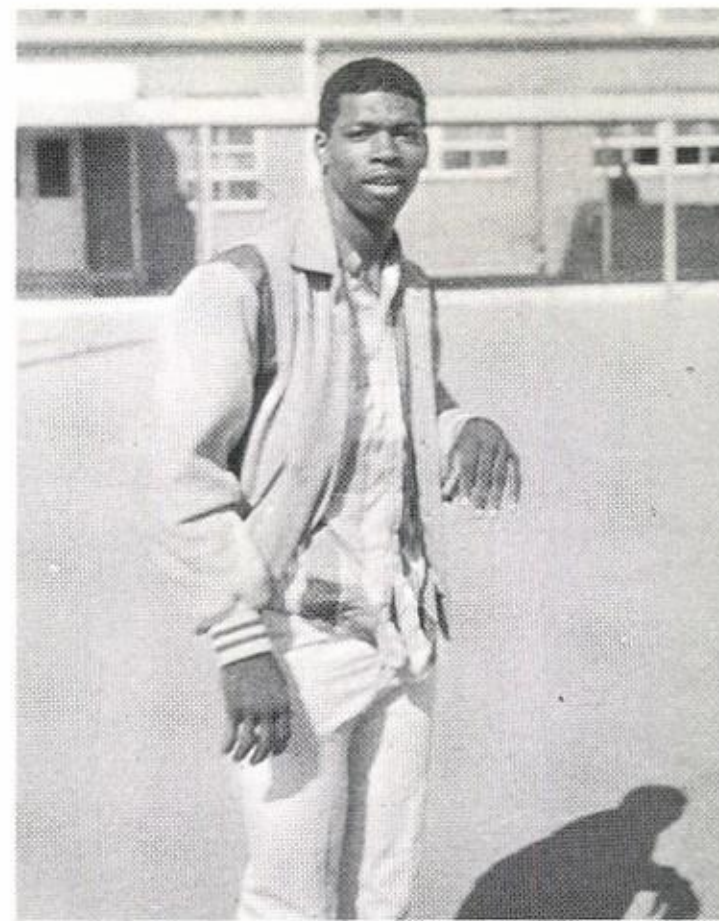

"Someday my Prince will come. "

"School!!! Ugh!!!!"

"Get the ladder. Peanut's is hung in the net again."

"What's happening, gang?"

"Two of the Three Stooges???"

"Just tell people you rolled it that way last night."

"Someone should tell him about SCOPE!"

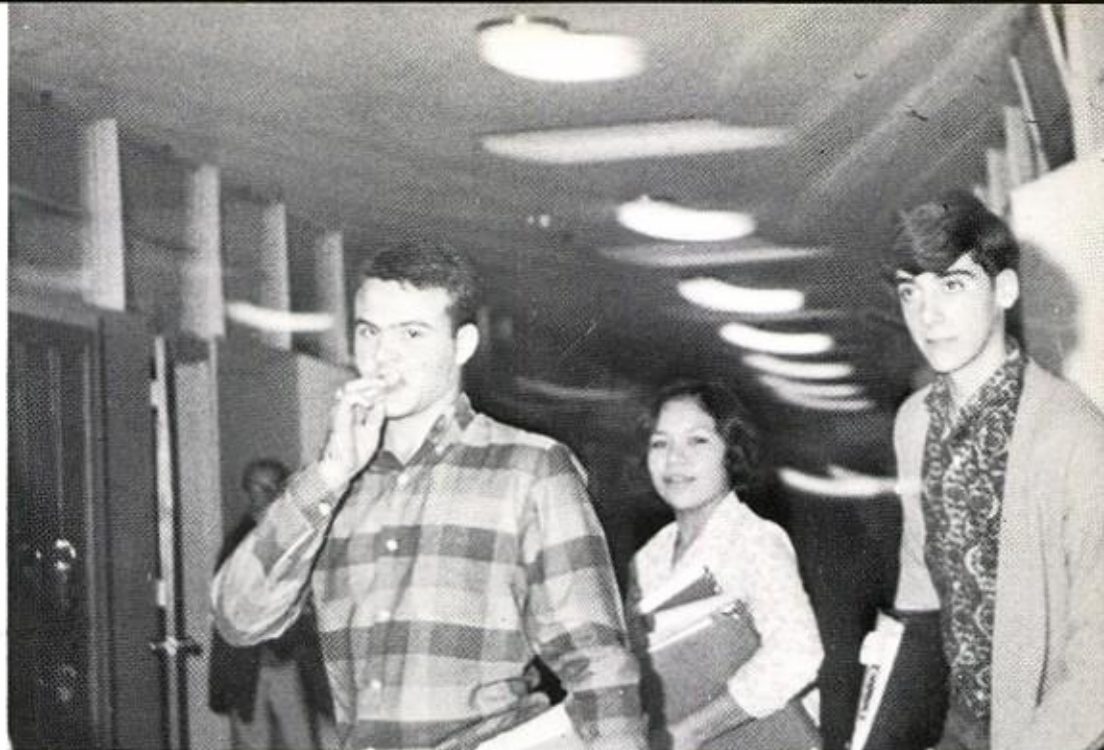

"A correct answer from this class? IMPOSSIBLE."

"Watch that wicked fist of Mrs. Hall's, Miss Loving."

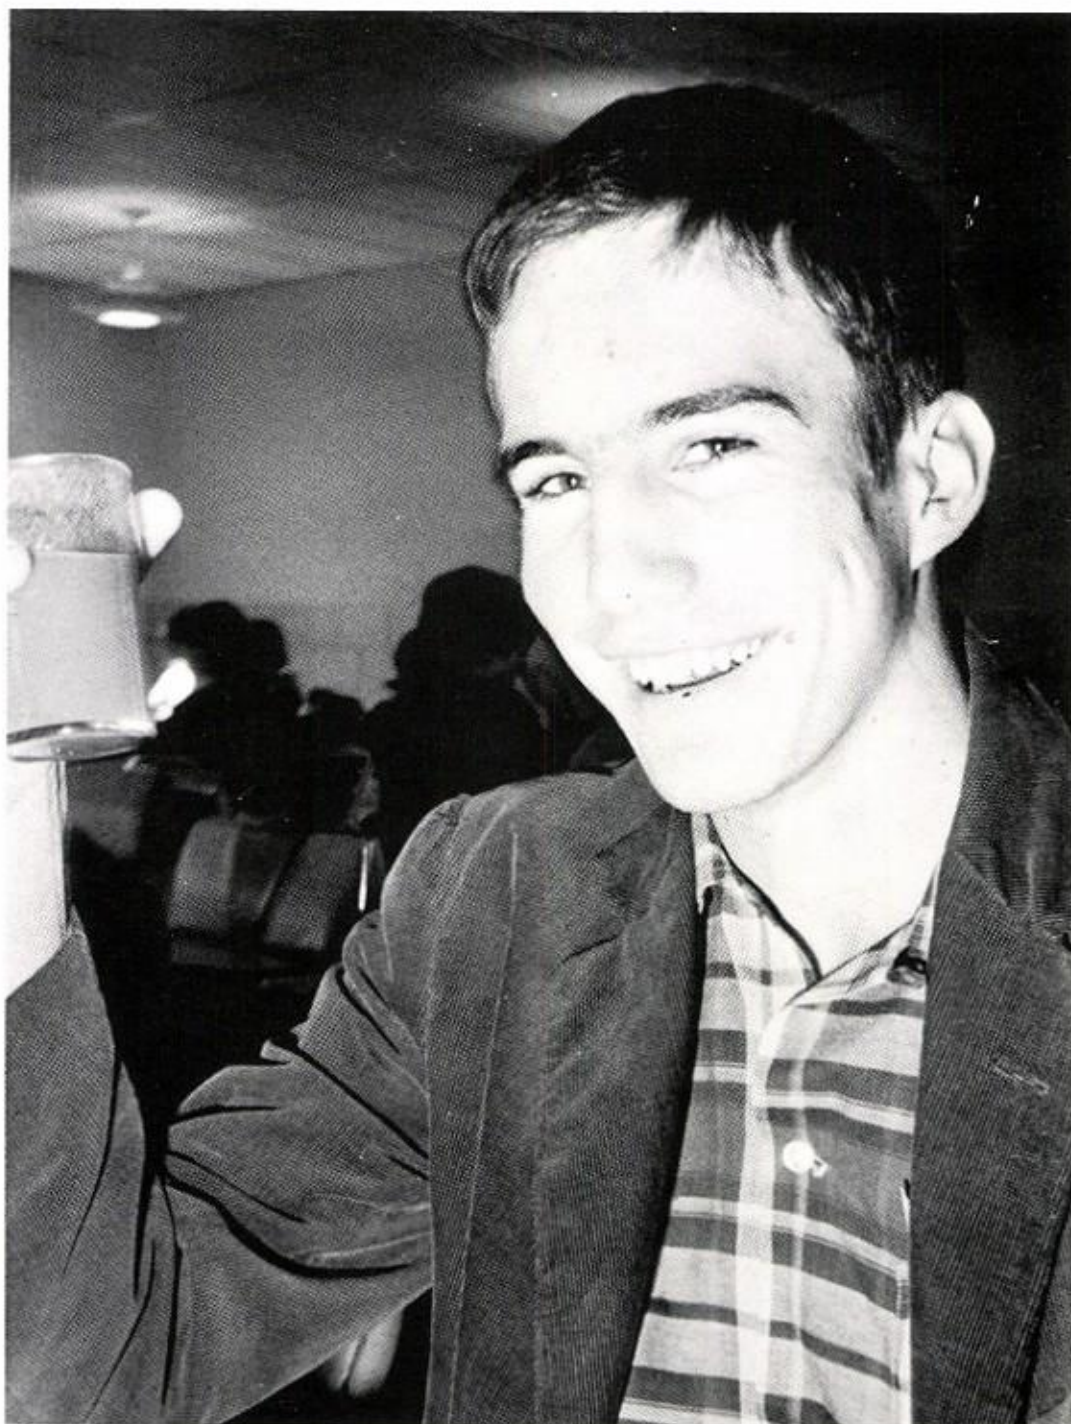

"What do you mean, I've done the wrong assignment?"

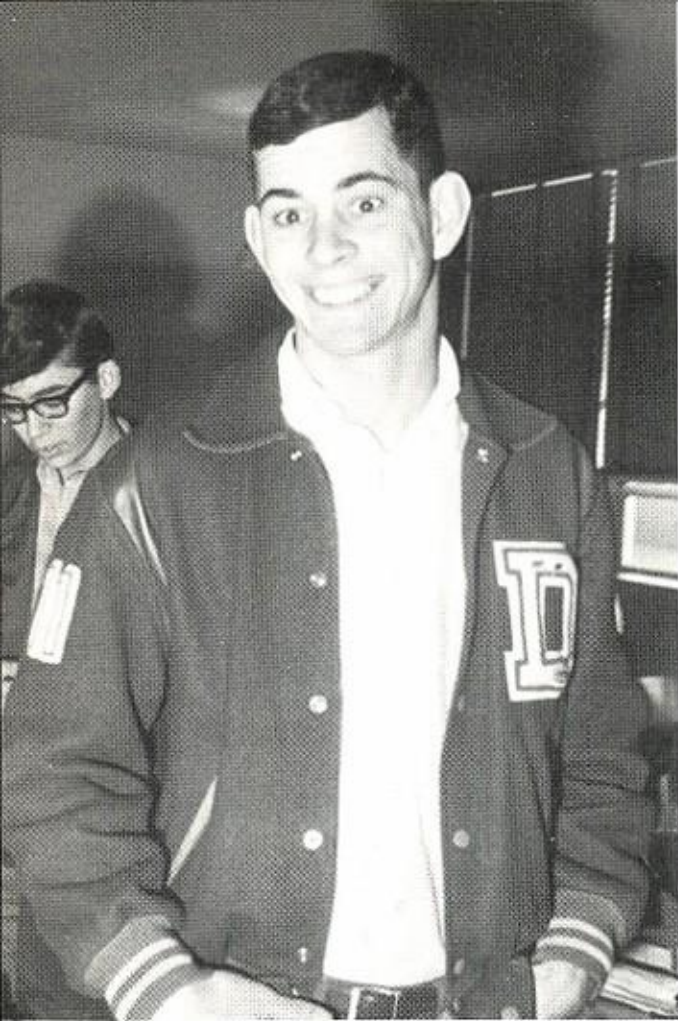

"Tst. Tst. Charles! No nail biting!!!"

"Ugh oh, my fork's caught on my tongue."

"This really hits the spot!!!"

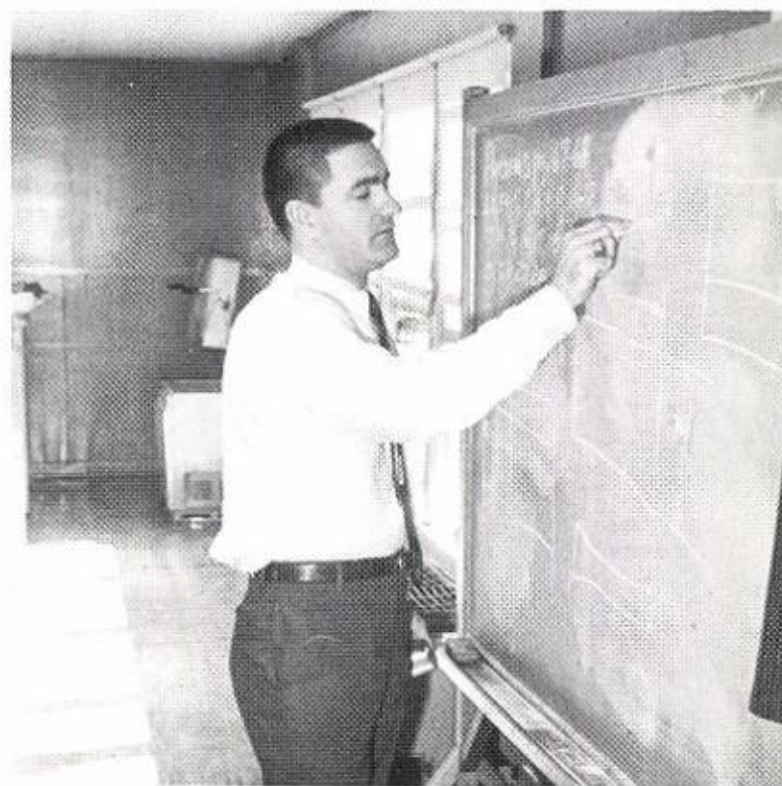

"I passed! You're Kidding."

"What do Sophia, Liz, Raquel, and Gina have that we don't have?"

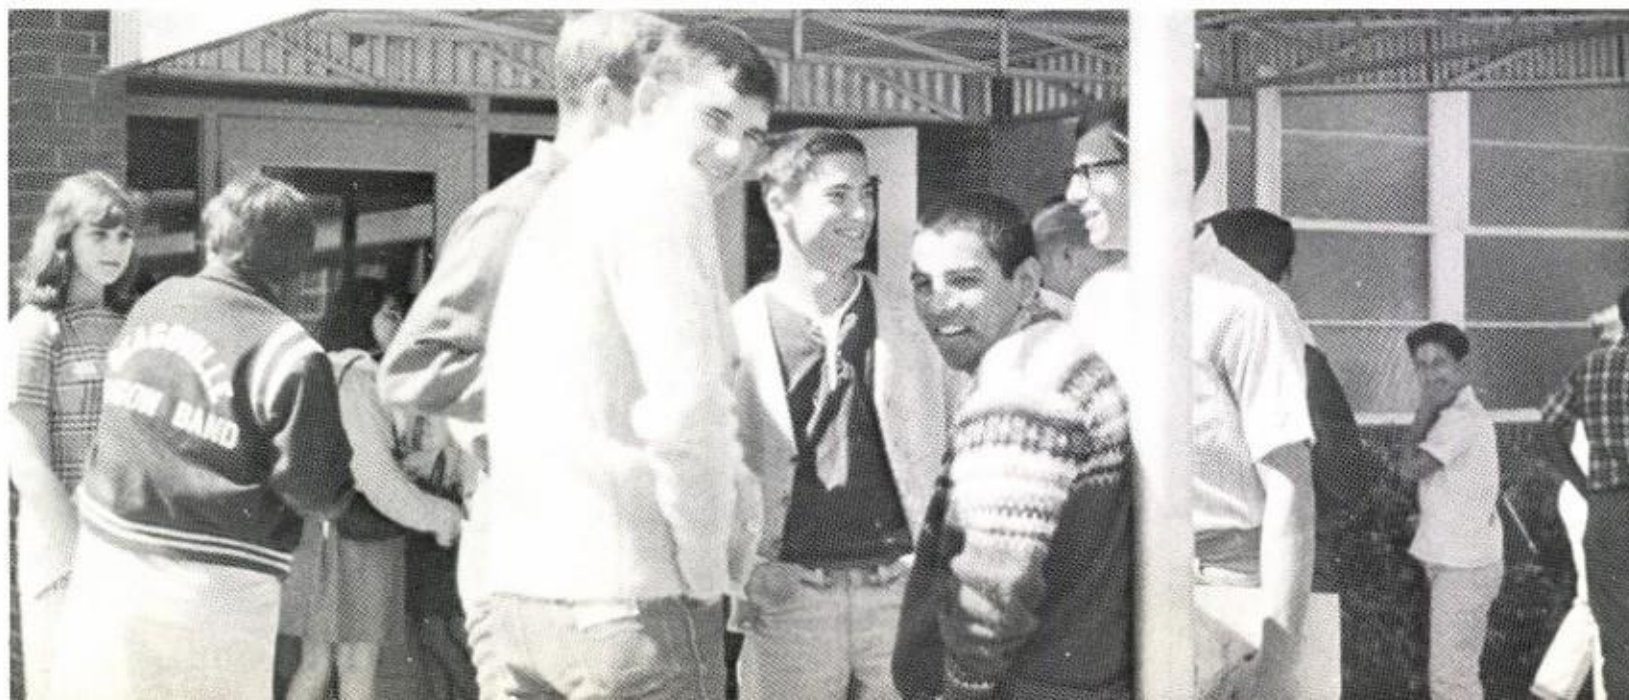

"Don't worry, she wouldn't dare use the picture!"

"Pst. Wake up, Coach!"

"A meeting
of the
MINDS??"

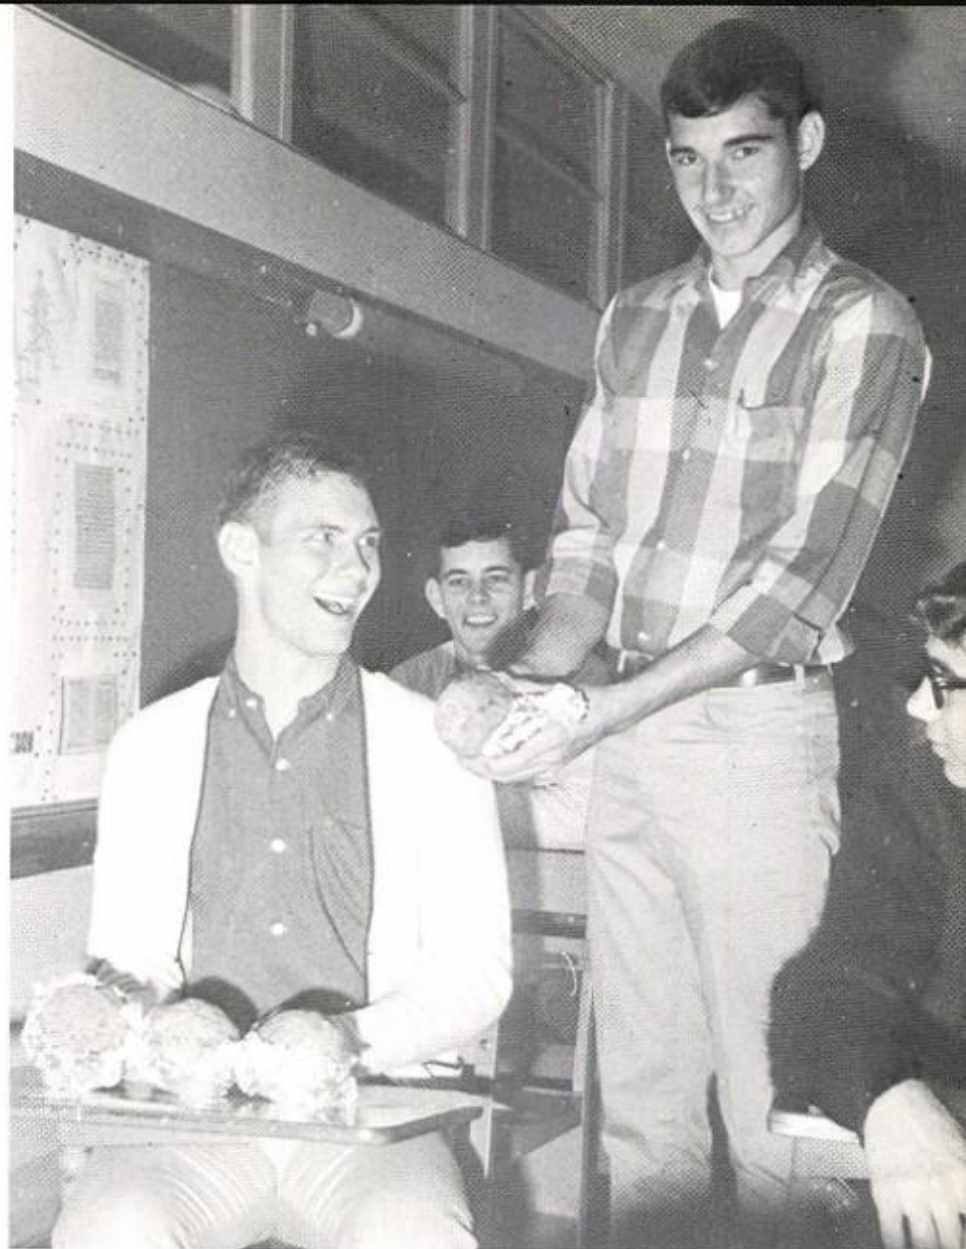

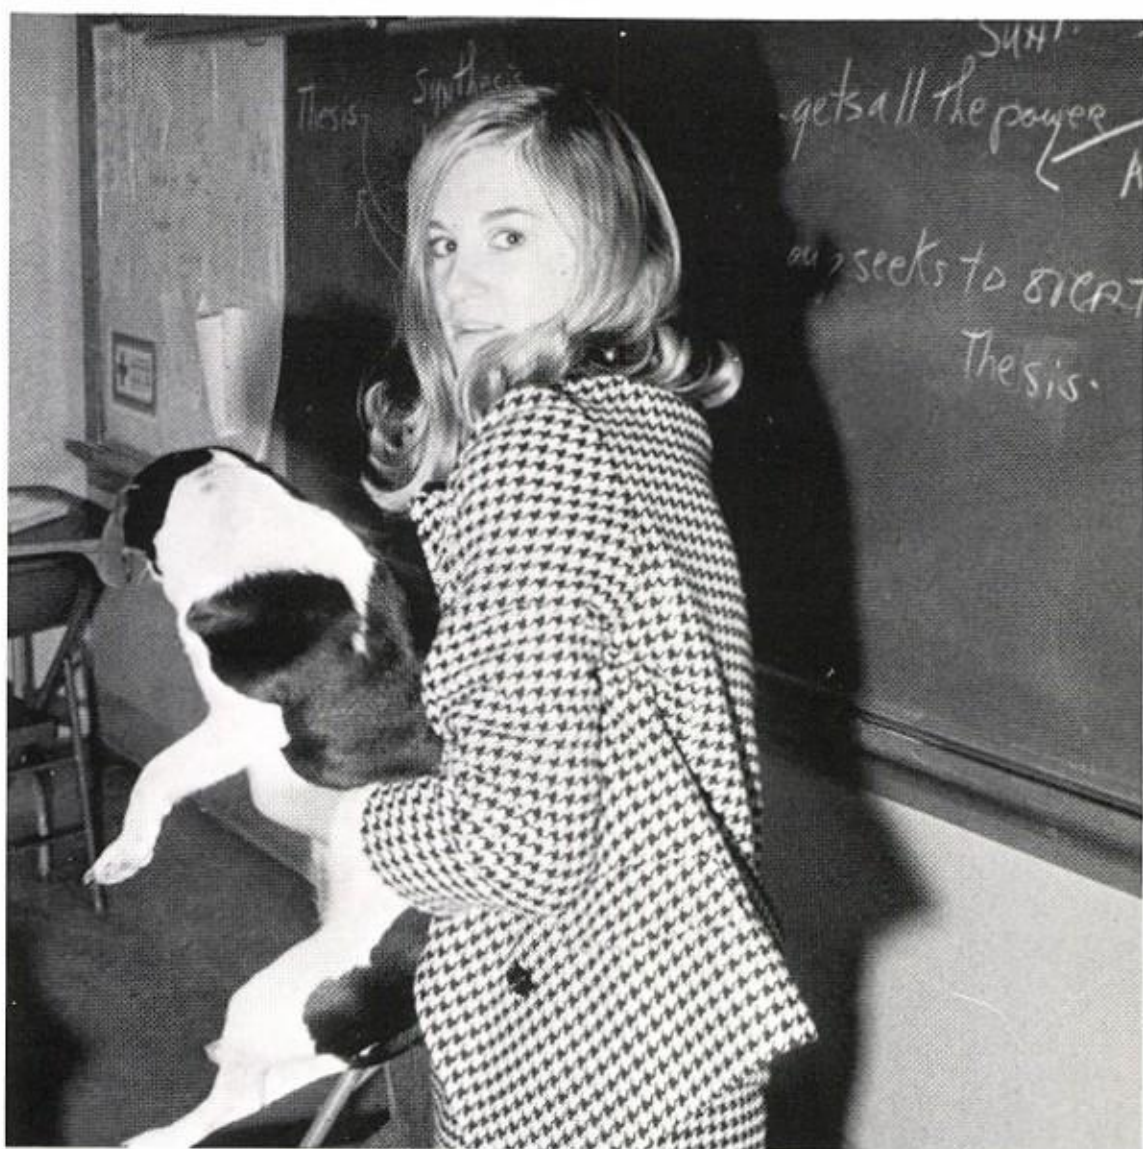

"I just wear it so my nose won't peel. "

"Not another assignment. "

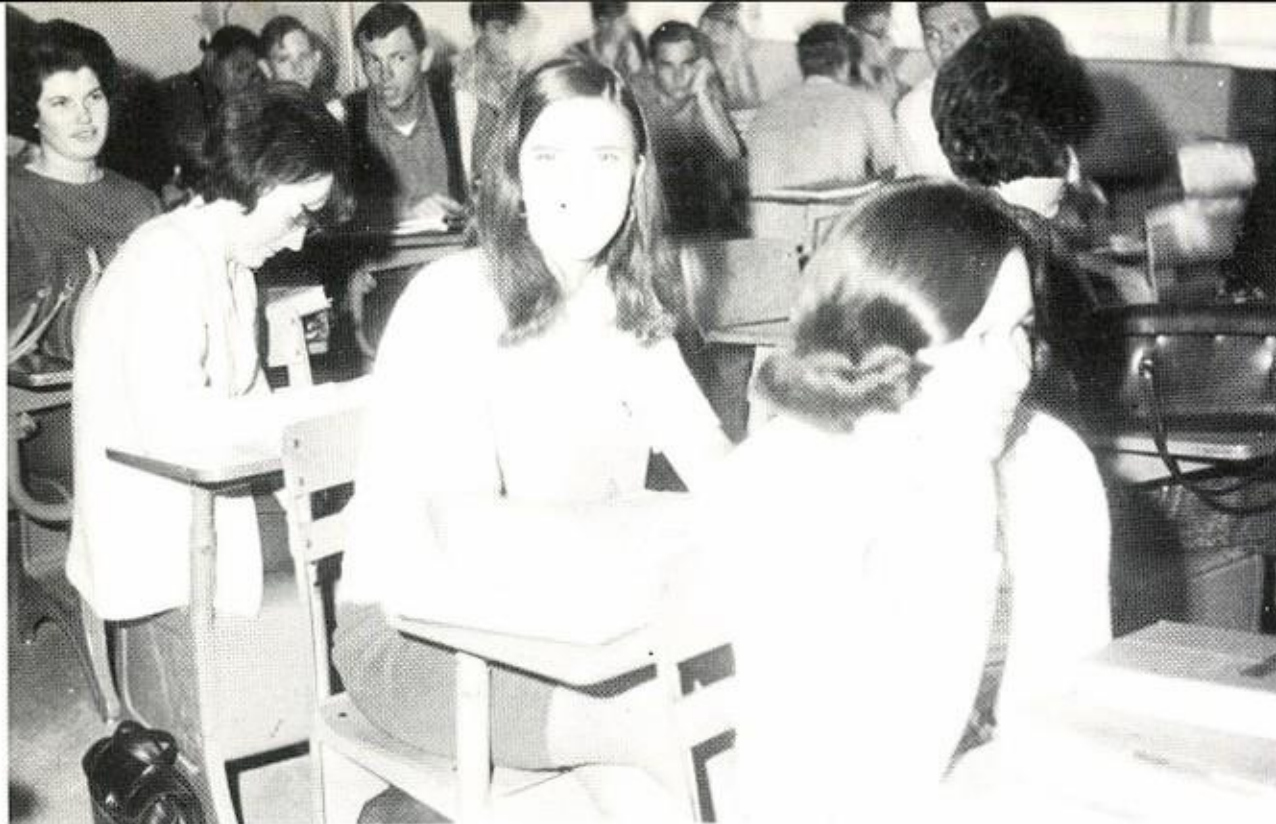

"For me ???"

"You'll never dissect this dog, Mr. Wigley. "

"What do you mean Napoleon complex?"

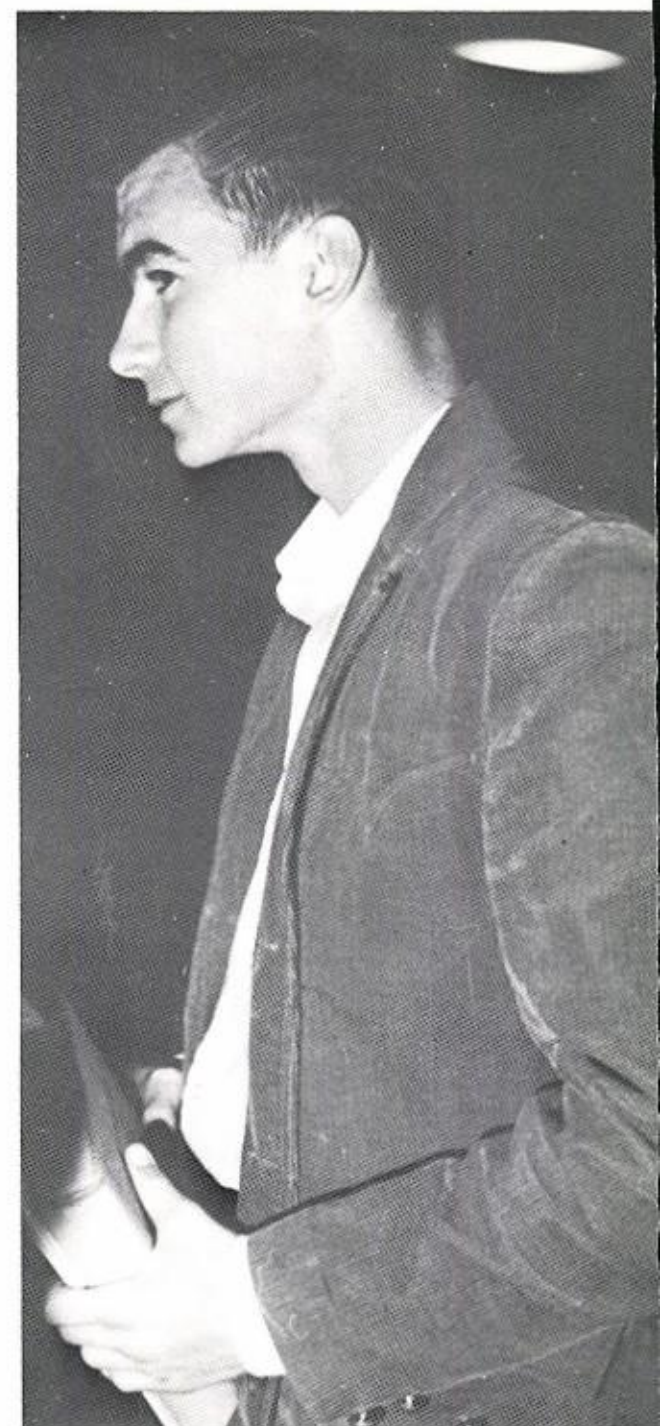

"Looks like Stephenson is finally giving her tongue a well deserved rest."

"I think I swallowed a fly."

"Come on down, Wildman."

"No Jack, no autographs, please."

"How's this for a profile?"

"Would someone get the custodian? My fingers are locked in the desk."
